DISPLAYS AND EXHIBITS

"HERSTORIES: Saluting Women's Contributions to the Sciences and the Arts" is the latest display in the Evans Library. In conjunction with Women's History Month, a first-floor display case now features Evans Library books, government documents, periodical articles, and realia that highlight achievements of women in the sciences - behavioral, natural, physical, social, aeronautical, and applied - and in the arts.

On March 13, an "International Women's Day" will be held in the lobby of the Denius Student Center from 10:00 a.m. - 4:00 p.m. Posters from the event that celebrate the accomplishments and lives of women from around the world will be added to the Library exhibit on March 14.

Mid-month, the Library's first-floor "Celebrating Florida Institute of Technology - Then and Now" display will be replaced by a boutique of hand-crafted springtime jewelry. Partial proceeds from the sale of these items, plus Creative Source photographic cards and works of art from the ever-changing Brevard Watercolor Society exhibit, benefit the Library's endowment funds.

The Library's collection of IRS tax forms and publications is now located, for patron convenience, on the first floor. In addition, clickable from the LINK is easy access to printable versions of all forms and publications.

The third-floor federal depository continues its board display on the "Branches of Government." Found there are documents exemplifying executive, legislative, and judicial governmental functions.

DATES SET FOR SUMMER GRADUATE RESEARCH WORKSHOP

Friday, June 21, and Saturday, June 22, are the dates for the Summer 2002 graduate research workshop. More information and registration forms are available at the Library's Service Desk.
